

Alresford vs Aldershot & Fleet

Match Report

4th March 2017

We welcomed our good friends from Aldershot & Fleet RFC to our club lunch and fixture and while the result was never really in question given this seasons form, in sport you never can be sure.

Indeed A&F started really strongly and absolute credit to them, had our coaches a little concerned.

However, ARFC overcame the initial onslaught and began to stamp their authority and ability on the game.

With ARFC running in 4 tries the game was won by half time.

The second half continued in in the same vein and by the final whistle the final score was:

FINAL SCORE

Alresford 90 - 0 Aldershot & Fleet

It is worth noting that despite their season unlike other clubs A+F show for every match. We wish them well.
